

FRATA

Aviation Obstruction Light Medium Intensity – Solar 5W

FRATA's Part Number: 1961

Specifications:

Standard:

FAA (USA): L-864

COMAER (Brasil): 1424/GC3

Light Intensity: Medium Intensity - Night

Light Source: LED Red - 100.000 hours

Flash Rate: Flashes

Light Beam: 360 ° Horizontal

Day/Night Sensor: Included

Protection: IP65

Weight: 3.6 kg

Operating Temperature: -10 °C ~ + 55 °C

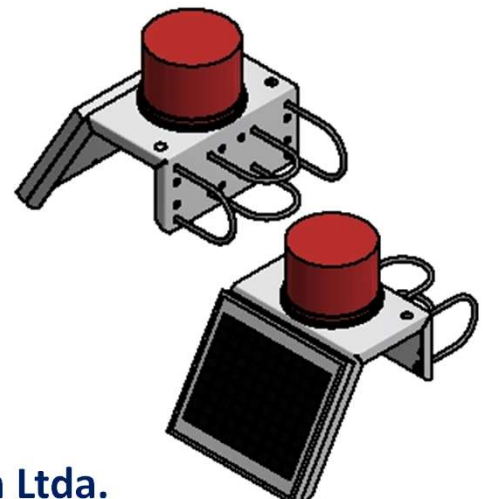

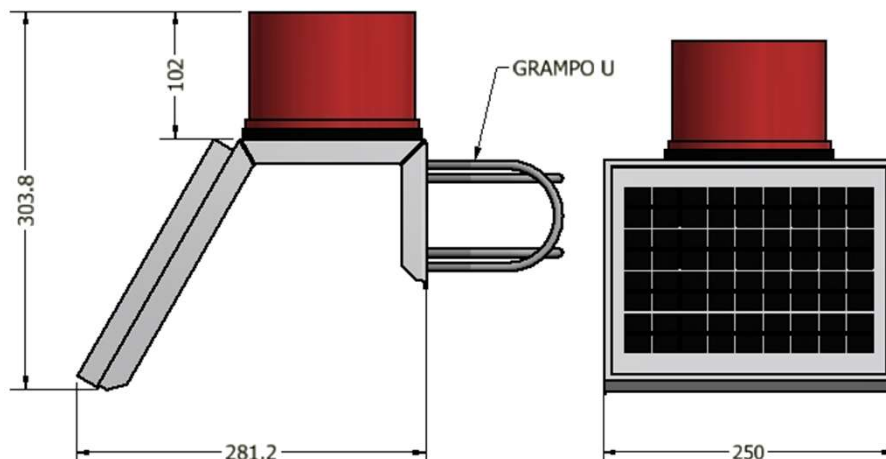

Enclosure: Aluminium, Polycarbonate (UV Protection),
Carbon steel with galvanizing and electrostatic painting

Power: 5W solar panel

Battery: Lithium-ion

Autonomy: 2 days (in cloudy and rainy weather)

Sinalização para Topo de Estruturas superior a 45 m
